Gray Davis
Governor

CERTIFICATE NO.: 5793

DATE OF FILING: December 23, 1997

Under the provisions of Article 2.5, Chapter 1 of Part 2 of Division 2 of the Water Code,

Richard L. Jennings
P. O. Box 595
Maxwell, CA 95955

has filed a claim of water right for stockpond construction prior to January 1, 1969, and has applied to the State Water Resources Control Board (SWRCB) for evidence of such water right.

It appears from evidence provided by the claimant and from such other information as has been obtained by the SWRCB that the stockpond described herein had a capacity of 10 acre-feet or less on January 1, 1975; that the stockpond was constructed prior to January 1, 1969; that the stockpond is used primarily for stockwatering purposes; and that the stockpond was not involved in water rights litigation between private parties prior to January 1, 1974.

Therefore, the SWRCB certifies that the above-named claimant has complied with the statute and has a water right within the meaning of Water Code section 1226.1, to collect and hold in storage 10 acre-feet of water for stockwatering, including domestic and recreational use which is incidental to stockwatering use, at the following location:

*On Unnamed Stream tributary to Stone Corral Creek thence Colusa Basin Drain
thence Sacramento River and the Point of Diversion is located at 605,681 feet north
and 1,894,187 feet east by California Coordinate System, Zone 2 and is within the
NW¹/₄ of NW¹/₄ of Section 13, T17N, R5W, MDB&M in the County of Colusa.*

The Claimant's water right priority of this certificate is December 23, 1997, the date of filing, and is subject to all prior water rights.

STATE WATER RESOURCES CONTROL BOARD

Larry L. Allaway
Chief, Division of Water Rights
